CHAPTER 16
"AFTER THE BATTLE"

ス
ニ
リ

...Oh?

What
happened,
everyone?

I can't believe something like that got so close...

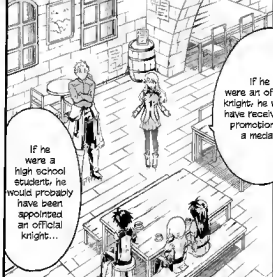

To defeat a monster like that, the knights really are something.

But we can't possibly make the current Eru-kun a knight like that.

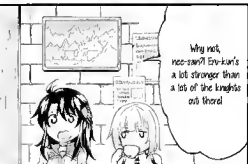

If he were a high school student, he would probably have been appointed an official knight...

If he were an official knight, he would have received a promotion or a medal.

Even if he were able to enter an order of knights with his outstanding abilities, I doubt there would be any knights who would be willing to work with a 12 year old child.

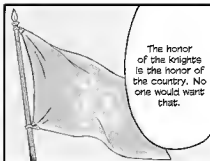

Why not, nee-san? Eru-kun's a lot stronger than a lot of the knights out there!

Putting aside the fact that he's not an official knight, if a 12 year old child received an award, it would completely ruin the honor of the other knights.

Being affiliated with an organization means that things don't work out the way you want them to.

This actually makes me feel sorry for Di, who was "dragged into this"...

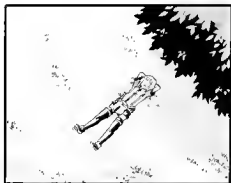

He doesn't look bothered at all after causing such a huge mess.

Really... This guy truly is something else.

Well, I hope nothing happens afterwards...

I'm glad
they made the
arrangements
to look like the
knights feiled
the behemoth
without sulying
their honor.

Wow,
that was
dangerous...
Well, I did end
up running wild
without even
thinking about.

But, really...

I was able to operate a
silhouette knight to my
heart's content, and above
all else, you could say my
reward is that I got to see
the management scripts
for a maglus engine.

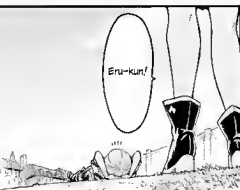

...But
thinking back
on it, that last
move was a huge
bet, completely
leaving things
to fate.

At the
very least, I
need a unit that
won't break even
if I operate it at
full power so I
don't make the
same mistake
again.

That
was
fun!

Eru-kun!

This alone is
something I
can't entrust
to someone
else...

That's...

Hey...
I want you
to make a
promise...

Don't
rush off on
your own next
time. Take us
with you.

But
at least tell
us what you're
doing. Eru-
kun!

We can't
operate silhouet-
te knights, and
we may not be
of any use.

That's not
fair! Well, I'm
not saying
anything would
happen with
us there.

But three
is better than
one, no matter
what!

I understand...
Though, it may
be impossible
during a real
emergency.

Shreiber
Castle

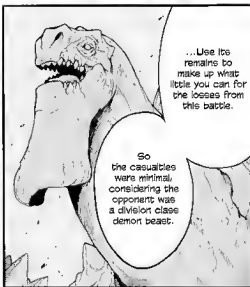

Fremmevira
Kingdom
Capital,
Kankanen

That is the
report in regards
to the battle with
the behemoth

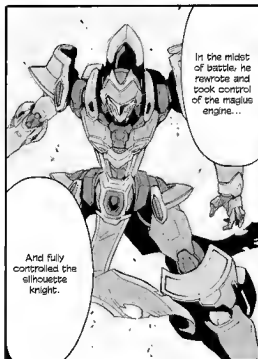

But
the student in
this report who
made a large
contribution...

...Use its
remains to
make up what
little you can for
the losses from
this battle.

So
the casualties
were minimal,
considering the
opponent was
a division class
demon beast.

If this
is true, it's
just mad.

He may
drown in his
own talent
one day.

...What
would
you have
us do?

No matter
how intelligent
he is or how
outstanding his
abilities are,

He is
still just a
child of 12
years.

Ernesti
Echevarria.

I must
set aside
time to meet
with him.
